BLACK NYLON QUAD TUBING BUNDLE

LEACHATE & REMEDIATION
PUMPING SYSTEMS

DESCRIPTION

PumpOne offers several choices when it comes to tubing and hoses. We offer a jacketed nylon tubing bundle that is highly resistant to chemicals and includes four nylon tubes (Air-In, Exhaust, Discharge & Bubbler) inside a nylon jacket which is marked in lengths of 5' to allow the customer to know how much tubing is being used, and how much remains on the reel. The jacket can be easily removed prior to installation.

SPECIFICATIONS*

- Bubbler - 3/8" (6.36mm) OD Tubing
- Discharge - 1" (25.4mm) OD Tubing
- Air In - 1/2" (13mm) OD Tubing
- Exhaust - 5/8" (16mm) OD Tubing
